Bassoon Quartet	<p>To our friends and family: This calendar will now begin displaying programs that are specific to Decker as well as some of the other programs offered throughout the building. <b>Bolded programs are hosted on the Decker unit.</b> Please note that with calendars made in advance, changes in the schedule can occur. Please refer to the Daily Activity Schedule for the most accurate reflection of programs for the day.</p> <p><b>(Orioles games can be found on channel 45 on any TV in the building.)</b></p> <p><i>What happens to activities during covid outbreak status?: The key word to look for in Barry's memos is 'separated'. If we are NOT in outbreak status, residents can enjoy activities throughout the entire building, not just activities located on Decker. If we are in outbreak status, it does not always automatically mean that residents cannot attend programs throughout the entire building. Look for the section about communal dining and group activities. If it states group activities will continue, then residents can attend all programs. If after mention of the group activities continuing the memo discusses separating the group activities- it means that activities are still taking place, but that for your loved one on Decker, the activities will all be on the Decker Unit.</i></p>
