To our friends and families: this calendar marks the beginning of an updated version of activities. We are noticing that the interests of residents for on unit activities have been changing. Therefore, it is time to adapt! I would like to stress, we will not be taking away or lessening group programs, however, if activities staff notices that during an on unit program, the program does not seem of interest or fitting to the residents we will convert and dedicate that time to providing individual personalized activities. For further information, you may contact me at 410 842 0404 or mmiller@pickersgillretirement.org.
